W. E. Kilgore

Main Street U. S. Army General Hospital,

Covington June 13th 1865

I have to report that W. E. Kilgore a 1st Sergt of Company B 39th Regiment Ky. Vol. was admitted into this General Hospital May 30th 1865, and was discharged from service June 12th 1865. by reason of Surgeons Certificate of Disability.

Very respectfully,

Your obedient Servant,

A. Gunn Surgeon U.S.A.
in charge

Comd'g Officer
Co. B. 39th Reg. Ky. Vol.

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension*, special care must be taken to state the *degree* of disability—as ½, ¼, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will there fill out and sign the surgeon's certificate, and forward them, prepaid, to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the competent authority, upon the soldier's discharge, send the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward copies of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

Capt

I have the
honor to report that in obedience
to the enclosed order I left three men
in command of 91 men mounted &
rifle on the 3rd of this inst and
reported at the appointed time
Men named at the Lexington Liberty
Capt Jamestown Columbia
Lagrange Greensburg Cam[illegible] Bellville
Lebanon Bardstown Springfield
& Mattoon the reason why these
points were not visited was the
distance was so great I could not
reach them with the stock
from the place at which the Hon
Mr Blair appointment removed
Enumerate Henry Co Ky the way the

order was made out I was in hand
& suppose it was a series of appoint-
ments for one individual and the
places indicated could be reached
in one day from each appointment
& knew no better until I reached
Shelbyville & examined for the
first time my map & have reached
the points indicated in the order
commencing at Liberty on the 24th
would have required another force
& to have gone from this point to
Liberty I was farther from Liberty
at Shelbyville than at this
place
When I reached Frankfort Ky
on the 26th Inst on my return
I was requested by the civil and
Military authorities to go out
in pursuit of a gamelle party
that had robbed the Loyal men
of Peaks Mill in Franklin Co Ky
& murdered Mr Robt Graham
a peaceable citizen in the
presence of his family the party was
Commanded by Jno Marshall the
Murderer was Bayles Tackett of
Owen Co Ky I pursued them
to Harmony Owen Co Ky and could
not find them as they had taken to the Bush
In consequence of the worn out
condition of the Horses I abondoned
the pursuit & returned to this place
of the enemy on the 28th Inst
I was not fined one cent

I have the honor
Capt to be very
Respectfully
Yours obt Servt

approved and sentence confirmed by Maj. Genl. John M. Palmer and promulgated in G.O. #49, dated Hd. Qrs. Dept. of Kentucky, July 9, 1865.

The soldier was convicted of desertion by a general court martial, the proceedings, findings and sentence of which were duly approved and promulgated, the charge of desertion no longer stands against him. The record of the fact that he was absent in desertion from about August 11, 1864, to about February 7, 1865, cannot, however, be expunged.

VOLUNTEERS.

Died March 16. 1865.

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining and forwarding the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full account of all the time for which the Soldier draws full pay on his final statement; the clothing account, and all other charges against him on the rolls, so as to comprise a complete exhibit of his accounts. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances, which may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

FINAL STATEMENT

OF

Isaac Lambert

~~2d~~ Reg't of Kentucky

H.

VOLUNTEERS.

Died May 20. 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the fact of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining on his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and entered with a statement to this effect by the officer. This endorsement should exhibit a full investment of the time for which the Soldier was allowed pay on his final statement, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the commanding officer of the Soldier, who will cause all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of their muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on the final statements from the fact that his descriptive list is incomplete. These statements for both pay, &c., are printed by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to subsistence, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Interests due the Soldier and Langdons must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the interest cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statement, in duplicate, to the Adjutant General, Washington, D. C.

ARTICLES OF WAR.

ART. 83. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be accounted for, and paid by, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

PAR. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 83d Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster-roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

PAR. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased, before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

sentenced to forfeit all pay due him at the time of his desertion, as all pay allowances accruing during the period of his absence as a deserter as marked forfeited to the U.S. the time lost by such desertion.

The proceedings & finding of the Court were approved & the sentence mitigated to loss of all pay & allowances from the 12th day of Aug. '64. until the 17th day of Jan. '65. & the soldier released from confinement & restored to duty by S.O. No 55 Hdqrs Dept. of Ky., dated July 15-65.

As this man was convicted of desertion by a general Court martial, the sentence of which appears to have been carried into execution (so far as not remitted by the foregoing), the charge of desertion no longer stands against him. The record of the fact that he was absent on desertion from Aug. 12. 64. to Jan. 17. 65. cannot, however, be expunged.

War Department,

Adjutant General's Office,

Washington, April 6th, 1888.

This man deserted on or about March 24th 1863, but as he returned to the service on or about May 1, 1865, under the President's Proclamation dated March 11, 1865, and appears to have complied with the conditions thereof (so far as not waived by the Government), the *charge* of desertion no longer stands against him. The record of the *fact* that he was absent in desertion from on or about March 24th, 1863, to on or about May 1, 1865, cannot, however, be expunged.

Charge of desertion of March 15. 1862 is removed as erroneous

ART. 93. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment; or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

PAR. 122. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 93d Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

PAR. 123. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 124. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

FINAL STATEMENT

OF

Pvt. William McGuire

37th Regt of Kentucky Vol

F.

VOLUNTEERS.

Died June 15th 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the out of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining on his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him, or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on the final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Accounts due the Soldier and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statements, otherwise the amounts cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

Co. E, 39th Ky. Infantry.

The Commissioner of Pensions returns former reports in the case of this soldier and asks to be advised as follows: (1) Status of soldier from Jan.14, 1865, to April 25, 1865; (2) was he in confinement or under arrest during the period in question; (3) requests to be furnished with a copy of S. O. #53, Dept. of Ky., April 25, 1865, and S. O. #304, D. C. Nov.6, 1864; (4) to be furnished with the copy of the report dated April 21, 1865, by the President of the Military Commission in the case of this soldier; (5) that the discrepancies in periods of desertion given as nine months and three months in former reports be explained; also, that an examination be made of the bi-monthly roll prior to Jan.14, 1865, to show as a matter of fact he was absent in desertion nine months;

The Commissioner states that the length of pensionable service within the meaning of the act of May 11, 1912, is the point at issue.

The records show that this man deserted sometime in Dec., 1864, at Chattanooga; that he was arrested Jan. 14, 1865, and received at Louisville, Ky. Jan.16, 1865. His case was investigated by a military commission April 21, 1865, and the commission of the opinion that he was a

5

deserter and that the time lost by desertion was nine months, and recommended that he be assigned to the 7th Ky. Infantry, Department of the Gulf, to serve the time of nine months, the time lost by desertion. It was directed in Par 4. S. O. #53, Dept. of Ky. dated Apr. 25, 1865, that he be assigned to the 39th Ky. Infantry, to serve with that regiment the time lost by desertion, nine months. He was mustered out of service with Company E, 39th Ky. Inf., Sept.10, 1865. In the reports heretofore furnished the Commissioner of Pensions between nine months and three months have been given as the period of absence and desertion. It appears that the card made for the muster out roll of Company E, 39th Infantry, showed the period of desertion as three months but the original roll shows nine months.

In an affidavit made by the soldier April 21, 1865, he stated that when the regiment came back to Louisville to be mustered out, he was left with the veterans and recruits at Chattanooga; that about a month after the regiment left he started to Louisville on his own account to get mustered out and was arrested six days after he got to Louisville and was in the guard house since that time; that he thinks it was sometime in Jan.1865, that he left Chattanooga.

7

It is evident that the record showing this man absent in desertion nine months is erroneous. (See proposed indorsement).

Evans.

May 5, 1920.

War Dept., A. G. O., May 6, 1890.- To the Commissioner of Pensions.

It appears from the records that Peter McLain, Company K, 10th Kentucky Infantry, was in arrest and in confinement from January 14, 1865, to April 25, 1865.

The military commission that investigated his case April 21, 1865, was of the opinion that he was a deserter and that the time lost by desertion was nine months and recommended that he be assigned and sent to the 10th Kentucky Infantry to serve the term of nine months. His name has not been found on the rolls of the 10th Kentucky Infantry but he was assigned to the 39th Kentucky Infantry to serve the term of nine months. Department of Kentucky, Louisville, April 25, 1865, to serve out with that regiment the time lost by him in desertion. The period of desertion as stated therein of nine months but this is evidently erroneous as the records show that the soldier deserted sometime in December, 1864, and not returned January 14, 1865.

SPECIAL ORDERS,
No. 326.

(*Extract.*)

* * * * * * * * * * *

..... Leaves of Absence are hereby granted the following named Officers, for the number of days set opposite their names:

Lieut Col Dan'l A. Mann 3d Kentucky Vols.
20 days.

* * * * * * * * * * *

The following extracts from Regulations and General Orders, relative to Leaves of Absence, will be strictly observed:

"When not otherwise specified, leaves of absence will commence the day an officer is relieved from duty at his post, after receiving the order granting him leave.

"At the expiration of his leave, the officer must report in person *with his* command, and *not* at the office from which his leave issued.

"No officer is permitted to visit Washington without special permission from the Secretary of War, which must be stated in the order granting leave of absence.

"If an officer be not able to travel at the expiration of his sick leave, he must report his address to the commander of his post, regiment or corps, and also to the Adjutant General of the Army; and in his first report state the day when his leave of absence commenced. These reports must be repeated every twenty days, and each one must be accompanied by the certificate of a *medical officer of the army*, made in the usual form, and stating that the officer is not able to travel. If there is no army physician in the place where the officer resides, the certificate of a citizen physician, the truth of which must *be sworn to before a civil magistrate*, may be substituted. *Extensions* of leave *are not granted in orders.*

"*And be it further enacted*, That any officer absent from duty with leave, except for sickness or wounds, shall, during his absence, receive half of the pay and allowances prescribed by law, and no more; and any officer absent without leave shall, in addition to the penalties prescribed by law or court-martial, forfeit all pay or allowances during such absence."
